

Sequoia Equities Announces Launch of Sequoia Property Services a General Construction and Roofing Platform

Sequoia Equities, Inc, based in Walnut Creek, CA, expands their renovation, roofing, and general construction services, to third-party owners and investors through a new platform, Sequoia Property Services.

Walnut Creek, CA ([PRWEB](#)) August 19, 2010 -- Building on Sequoia's 30 year history in real estate acquisitions, ownership, and management, Sequoia Property Services will focus on assisting with maximizing value of multifamily residential and commercial assets for owners, managers, investors, homeowner associations and property management firms, who seek to make strategic improvements to real property.

Sequoia Property Services (SPS) specializes in providing clients with two core capabilities; general construction and roofing. Their experience includes renovation & remodeling, construction management, general property maintenance, plumbing, electrical, painting, tenant improvements, re-roofing, conditions assessment, and leak repair. These services are delivered through two separate divisions; Sequoia Construction Services and Sequoia Roofing Services.

SPS President, William W. Brooks states, "We have long-standing relationships and partnerships with vendors, contractors, owners, and investors in real property, which allows SPS to consider a wide range of job types related to real estate improvement and renovation. These relationships enable SPS to deliver best pricing to our clients, without sacrificing the quality of service provided, accommodating economies of scale."

The three senior leaders at [Sequoia Property Services](#) have a combined 100 years of experience in construction, roofing, and asset management. This unique blend of skills resulted in the formation of an innovative company that is powerfully hybrid, fully integrated, and successful in enhancing the value of clients' assets.

[Sequoia Equities](#) was founded in 1973 and is one of the largest privately held multifamily real estate companies in California, with over \$1.6B in assets under management.
